GTM Strategy & Operations Leader

Summary

Focused on building scalable, AI-enabled revenue engines at high-growth SaaS companies. Track record in data-driven GTM infrastructure, including pipeline strategy and AI-powered outbound and marketing automation. Former BCG consultant skilled at partnering with executives to translate data and emerging technologies into systems that drive growth and operational efficiency.

Experience

Mixpanel

New York, NY

Team Lead, Marketing Strategy & Operations (Director-Level Scope)

Jun 2025 – Present

- Promoted to Team Lead in five months (three direct reports); stood up marketing ops as a standalone team
- Deployed AI workflows across marketing and sales, launching Mixpanel's first AI SDR and intent-based outbound program; on track to generate \$10M+ in pipeline, boost funnel efficiency, and save \$1M+ annually
- Implemented lead lifecycle processes, lead scoring, multi-touch attribution, and marketing automation via HubSpot; reduced lead-to-opportunity velocity from 60–90 days to 20–30 days
- Optimized GTM execution and marketing-sales alignment; led interlock sessions, streamlined sales handoff, partnered with digital and field marketing to standardize global campaigns and lift ROI by 100%

Senior Manager, Revenue Strategy & Operations

Jan 2025 – Present

- Onboarded Mixpanel's first outbound-focused SDR team; created quota frameworks, ICP assignments, role definitions, and engagement SLAs; led enablement
- Own pipeline strategy and forecasting during Mixpanel's shift to multi-product, customer-centric GTM
- Built demand model; manage marketing budget and ROI; lead quarterly business reviews with finance team

Yahoo Finance

New York, NY / Mountain View, CA

Senior Manager, Business Strategy & Operations

2023 – 2025

- Led annual planning process; crafted narratives and business cases for strategic and operational initiatives
- Identified, prioritized, and implemented growth initiatives spanning product design, ad monetization, first-party data strategy, community, and editorial; projected revenue lift of \$200M+ by 2028
- Served as strategic and analytical partner to executives and cross-functional teams (sales, product, editorial, ad monetization); established KPI tracking and accountability processes

Boston Consulting Group (BCG)

San Francisco, CA

Consultant

2021 – 2023

- Developed go-to-market strategy for an enterprise SaaS product; designed survey for 300+ buyers and conducted 30+ executive interviews
- Developed small business market entry strategy for a private bank: segmentation, value proposition, and \$500M revenue business case
- Led org design for a growth-stage software company; redesigned operating and talent models
- Conducted due diligence and right-to-win analysis for two professional services companies

Cloudian

Manager, Marketing Operations

San Mateo, CA

2018 – 2021

- Independently owned marketing operations; optimized processes, technology, and data to drive impact
- Led development and implementation of marketing processes; designed and executed nurture programs to push 25%+ quarterly pipeline growth; improved program efficiency KPIs by 50%+
- Developed Cloudian's financial services industry solution with the product team, creating GTM strategies that drove a 70% increase in pipeline and 30% growth in gross bookings in 2020
- Worked closely with CMO and executive team on forecast and planning

Bank of America Merrill Lynch

Investment Banking Summer Associate

Hong Kong

Summer 2017

- Advised consumer technology company on \$4B IPO and dairy processor on \$1.4B cross-border acquisition

Alphavate (SMB focused software startup)

Business Development & Market Research

Philadelphia, PA

Spring 2017

- Partnered with CEO and President on launch process and early business development

HSBC

AVP, Corporate Banking (Top 2% rating; promoted from Management Trainee)

Shanghai, China

2013 – 2016

- Managed portfolio of 40+ multinational corporations in financial management and credit lending

Education

The Wharton School, University of Pennsylvania

Master of Business Administration; Major in Business Analytics

Philadelphia, PA 2016 – 2018

Fudan University (Ranked 30th Worldwide, QS 2026)

Bachelor of Business Administration; Major in Finance

Shanghai, China 2009 – 2013

Graduated with Distinction (top 5%); Georgetown University exchange (Summer 2011)
